Congratulations to all on the successful changeover! Everybody had a great night which seemed to go really smoothly. Thanks to all those who put so much effort into the night: Emma, Elita and Louisa for their co-ordination of the event, Bron for being a great MC and for dealing with money matters, Susan, Michelle and Kayla for looking after the door, Joel for his speech, and Sean for helping to collect fines. Kudos!!

STOMP

NEW STOMP RECORD !! \$4,828.13 raised for charity

Stomp just keeps growing and is creating new records for itself. Our "Rio Carnival" was a fantastic success with 360 people attending and raising \$4,828.13 for our charities which include "CanTeen" and the "Australian Rotary Health Research Foundation". It was also very exciting to have WIN Television broadcast Stomp on the 6PM News, and we look forward to even more media coverage for future Stomps. We received great feedback and ideas from our regular Stomp supporters and we look forward to implementing many of these ideas with the aim of providing back to you one of the best dance events in Canberra. Thank you again for your support !!

Next Stomp presents "SWINGIN' SIXTIES" 1st Sept @ Albert Hall

The committee is again hard at work to devise another incredibly exciting event, and by popular demand, we are very proud to present the "SWINGIN' SIXTIES", with the incredible sound of "BIG BOSS GROOVE", and yes.. you've guessed right, hosted by the man with the Mojo, the hippest, the grooviest, the International Man of Mystery.. AUSTIN POWERS!! All the way from Movie World in the Gold Coast, Austin will be joining us for a really swinging shindig baby – yeah !! Our next stomp is going to have some world class heart thumping showcases.. so check through your wardrobe.. look in your parents wardrobes?!? for some really groovy threads baby !

For our next Rotaract meeting, could you please check your diaries for Sept 1st and let me know if you would be available. Let's also talk about how Rotaract will be involved in this STOMP - as paid guests or handy helpers.
