From the President

Hello Rotaractors

I would like to start this by congratulating the club for the success of the Stop Revive Survive. While it is not something that provides us with any material gain, as I said in the last Bulletin, this is something that very much helps the club grow simply by working together and spending the time together, enjoying each others company. Whilst I was on the graveyard shift on Friday night/Saturday morning, it was pointed out that the time flew by, even though we were lucky if there were one or two cars stopping each hour.

The contribution that everyone makes towards these activities is incredibly valuable towards the entire process/event, but there are some people who I would particularly like to thank, including Gorana for her determination in seeing this through and overseeing the successful completion whilst on a steep learning curve. I would like to point out Allison and Phillip for collecting the wood and providing some towing during a comedy of errors. A huge thankyou to Frances who was able to conjure up the miracle that we so desperately needed and was able to garner the assistance of Ross Ellis, who some might know from RYPEN.

We are also seeing some of our members going abroad. With the return of Sean from his travels to Europe, we have Susan heading off to China and Louisa off to Mexico. I would like to wish them a safe journey, and while we will not be seeing either of them for six to twelve months, look forward to their return to our club as well as regular correspondence of their adventures abroad.

Now we have passed our first event as a club, we look forward to the rest of the year ahead and the challenges that we will be presented with and work together through. I believe our next will be the Running of the Sheep.

Yours in Rotaract

President

The Badges are here!

The heading's pretty self-explanatory, don't you think? Members and past members of the board please see Frances at the next meeting and we'll kit you up with your "medal/s of honour".

Tuggeranong Markets

It's looking good for us to have a permanent stand (or a standing reservation for a BBQ stall) out the front of the markets/community centre.

I'm just coordinating with the other organizers and the centre. They're just asking that we clean up after ourselves (not a problem!) and wants to check out our public liability insurance.

When it's all organized and set, here are the dates for our diaries:

- Sunday September 30
- Sunday October 28
- Sunday November 25
- Sunday December 16

You can find out more about the market on: www.tuggeranongindoormarket.com.au

Volunteer details: Canteen setup and retail work - shifts start at 7pm @ Coombs Lecture Theatre for the 8pm screenings. You will be expected to stay until after the movie starts and if it's a double screening until after the interval. You are welcome to stay and watch the movies on the night you are working.

When you arrive for your shift, ask the ANUFG duty manager for Robyn Rae c/canteen if you are doing this for the first time. Other times, alternate arrangements are followed.

To volunteer: send an email to francesrv.rivera@gmail.com (cc: Karen on kajemack@yahoo.com)

The ANU Film Group is located in the Coombs Lecture Theatre on the corner of Fellows and Garran Roads on the ANU Campus, opposite the Menzies Law Library and University House. The building is shaped somewhat like a honeycomb and is relatively easy to spot. There is ample free parking around the theatre, all within about 5 minutes walk.

The Stomp

The recent Stomp was a huge success with 315 people attending. A big thanks to Emma, Susan, Joel, Stephanie and Jessica for coming along on the night, braving the cold and helping out!
The next Stomp is scheduled for Saturday 17th November.

Memory was something you lost with age

An application was for employment

A program was a TV show

A cursor used profanity

A keyboard was a piano

A web was a spider's home

A virus was the flu

A CD was a bank account

A hard drive was a long trip on the road

A mouse pad was where a mouse lived

And if you had a 3 inch floppy . .

You hoped nobody ever found out!

The Stomp...Steph was at the bar, the only one of us at this point doing any work! Note Emma's cool pink tights and Susan's shiny pants (just peeking out there)!

As always, don't forget to RSVP if you can't make it to the next meeting, and please contact Keiran if you have any agenda items.

Yours in Rotaract,

Jessica
